FILING OF AN INFORMATION DISCLOSURE STATEMENT
UNDER 37 C.F.R. §1.97(b)

The attached list of citations on PTO Form 1449 is being submitted under the provisions of 37 CFR §1.56 and §1.97 for consideration by the United States Patent and Trademark Office, prior to the granting of this patent. Their inclusion herein should not, however, be construed as an admission that any particular cited document is effective prior art or that it discloses or renders obvious any aspect of the claimed invention. A copy of each cited document is enclosed, except U.S. Patent documents, and those references which are already part of the filewrapper. This statement is being filed within the time period specified in 37 CFR §1.97(b). No fee is required.

Applicant has cited RE 39,128E on the enclosed PTO Form 1449. The reissue application (US Ap. No. 10/631,707) from which RE 39,128E granted was pending at the time Applicant submitted the IDS dated February 8, 2006. Thus, this application should have been included in the listing of co-pending applications. This was an inadvertent error that was made without deceptive intent.

In addition to the references cited on the enclosed PTO Form 1449, Applicant directs the Examiner's attention to the following updated list of co-pending applications:
